

Charing Gardeners Sundial Garden working party
Friday 15th March
5pm - 7pm

Please join us for our first sundial garden working party for 2019.
Let's wake up the garden for everyone to enjoy.
Please bring your own hand tools and gloves.
It's not all heavy work.
Just an hour of your time would be much appreciated.
You do not need to be a member of the Charing Gardeners' Society to get involved.
