

Ashford Borough Council has commissioned **The Company** ([www.thecompanyuk.com](http://www.thecompanyuk.com)), supported by Arts Council England, to create a multi-media, site-specific play celebrating the rich history of the railways in Ashford.

For this exciting project **The Company** wants to hear from any locals with stories, photos or memorabilia that they have about the railways in Ashford. This could be an old family story, something you've read or heard about, or something that happened to you. It could have happened years ago or only yesterday - they want to hear it all. The information they gather will then be woven into a play about Ashford that will be performed in the town by professional actors and 6 local choirs in April/May 2020.

**The Company** are holding 2 research drop-in sessions in Room B at Ashford Gateway (Church Rd, Ashford, TN23 1AS) on:

Sat 27<sup>th</sup> July, from 10am – 3pm

Mon 5<sup>th</sup> August, from 10am – 3pm

So please go along and share your railway stories, photos and memorabilia.

**The Company** will also have a stall at Ashford Creates, where you can meet and talk with them.

If you cannot make these sessions then contact **The Company** on:
