

In view of the government's announcement yesterday all parish council playgrounds and the toilets were closed as from this morning until further notice. Parish council meetings will not take place and decisions will be made by email and telephone.

The parish council website [www.charingkent.org](http://www.charingkent.org) will carry announcements and information. Please see the ticker on the home page and the news page for updates.

The Charing Covid 19 Mutual Aid group has been running for over a week with many volunteers ready to help those self isolating with shopping, collecting prescriptions etc.
