

Shopping and food outlets during the crisis

The following shops in Charing are able to offer (and coordinating between themselves) deliveries in the Charing area to those who have to self-isolate due to age, illness or vulnerability:

Wady and Brett: Telephone 712318

GM & M Johns, Family Butchers: Telephone 713793 or email martyn.johns@btinternet.com

The early part of the week is easier for Johns.

As far as we are aware other food shops in Charing will be open as normal. The Post Office will be operating reduced hours 9am to 2pm Monday to Friday.

Pubs and restaurants. While some pubs and restaurants have decided to close for the duration, a number are offering deliveries or takeaways. Pick up arrangements for takeaways may have changed from normal in order to minimise or avoid contact.

The following list covers those who we understand will deliver to the Charing area (among other areas). Since it is early days the situation may change. We will update information as we hear about it:

Mulberry's: Telephone 01233 714171 or email sarah@mulberrys.co will be offering takeaways and delivering in Charing, Monday to Saturday
