

We are a small village primary school in the beautiful village of Charing. Every child in our school is valued as an individual and we have a supportive, nurturing team to make sure that every child and parent feels supported and happy at our school.

We aim to promote distinctive, inclusive communities of learning that seek to be underpinned by Christian values sourced in the Gospel narrative, enriching the whole educational experience. We aspire to excellence; to secure the best possible outcomes for children and young people, enabling them to fulfill their potential and make a worthwhile contribution to our diverse, dynamic society.

Our school currently has 111 children on role and has 5 classes. In 2017 the school was graded Good by Ofsted. In July 2017, we converted to an academy as part of the Aquila, The Diocese of Canterbury Multi-Academy Trust. If you would like to know more about us, please come and visit – we love to have visitors and show people just what makes us special!

For more information on the school feel free to visit the school website <https://www.charingschool.org.uk> or the Charing Primary School Facebook page.
