*June 18th and 19th Charing village will be celebrating, on Clewards Meadow, Henry VIII visiting the village over 500 years ago on his way to the 'Field of the cloth of gold'.*

*As part of the celebration, Charing Parish Council and Charing Palace Trust funded for the children at Charing school to create a mosaic to celebrate the event.*

*This has taken over two years (due to the pandemic) to create. It is now finished and will be unveiled and put up outside the hall after school on Friday 17th June.*
