

Throwing out an Appliance or Charger?

Help your village by putting old cables in here!

Please donate your,

- Appliance cables
- Phone cables
- Power tool cables
- Internet cables
- Literally any electrical cable!
- These cables can be any condition, with **insulation left on**.
- The only condition is to **cut off any plugs** and put these in your home recycling!
- They will be collected and recycled and turned in to something for our village!
