

Empty/Old Printer Cartridges?

Help your village by putting them in here!

Simply put your used inkjet printer cartridges in this collection box, by donating your cartridges we can turn our waste in to something for the village!

Any brand & Any size!

Please note – these need to be **Inkjet cartridges only** as toner cartridges can't be recycled by us.

We can only recycle **cartridges bought from retailers** as subscription cartridges can't be recycled due to the onboard computer chips.
